SHAMBHALA

Dear Community -

We are writing to correct an error in the our April Update which was sent on April 26 to the Shambhala community.

In this message, we incorrectly listed Shambhala Publications as one of the departments of the Sakyong Potrang that is moving to Shambhala Global Services. This was a typographical error. The statement should have said Kalapa Publications. Shambhala Publications is an independent publishing company and is not affiliated with the Shambhala organization nor with the Sakyong Potrang. We apologize for the confusion.

Sincerely,

The Shambhala Interim Board
